ANNOUNCEMENTS

SENIOR FRAUD PREVENTION: ways to protect yourself Scams happen! You are not alone. According to a 2016 study, people 50 and older hold 83% of the wealth in America; households headed by people in their 70s and 80s tend to have the highest median net worth. That makes them prime targets for financial scams, and the effects can be devastating. You have free access to LSS Financial Counseling through our partner Everence. Call 877-809-0039 or visit www.lssmn.org/everence to talk with a Certified Financial Counselor to explore ways to protect yourself.
