ANNIVERSARIES

15 Barry & Joyce Shirk

Currently the **JOURNEY TOWARD MULTICULTURAL UNDERSTANDING** (JMU) group has decided to enter a time of pause and watch for how God moves within our congregation. We blessed each other in our various contexts as we work individually to understand what it means to dismantle harmful narratives and systems and build inclusive spaces. We invite the Ridgeview congregation to do the same. We welcome questions and thoughts and each of us in available for conversation.
