9:30 a.m.	Worship
10:45-11:15 a.m.	Sermon response time in the chapel, with activities for the children

## Tuesday Alive April 9, 2024

Evie opened the gathering with news of a change. The scheduled Village Voices Choir had the wrong date for this. Suddenly this became an impromptu program!

After a prayer, Evie introduced Shirley Nolt who agreed to play piano for group singing. Evie invited anyone who wished to share a favorite song and a story about why it was special.

Pastor Klaudia shared about a first song she learned, taught to her by her grandmother who introduced her to God and taught her to sing "Jesus Loves Me." After singing it together, Klaudia gave a brief description about how, after many years in the nursing profession, she felt a call to ministry. As doors opened, she was sustained by the hymn, "My Shepherd Will Supply My Need."

Stories were enjoyed and songs sung for about an hour, followed by a delicious lunch of baked chicken and rice.

Gordon Douglas, a Christian comedian, will be our guest in May.

-Etta Esch

## "ROUND DA CHURCH"

Well, as the story continues, it's another gloomy day on the Ridge. Which means, since ya can't work outside, ya must be worked inside. At least we were warm.

But before that RicnBob Associates had another nourishing breakfast at the Whitehorse Luncheonette. Where also on the first Saturday of the month was Mr. & Mrs. Omar Lapp and sons enjoying breakfast. Nothing like a some good fellowship when starting Saturday's project.

So, here we go. The lumber is out and tools arranged for easy cutting. After the ladder is up and a few measurements taken and angles checked the first piece is cut and put in place. Nail it...measure - cut - repeat. Hey, maybe a special cut spacer to aid the process, yes. With the assistance of a laser, the trim is properly hung vertical. One side done, change the angle on the saw. Second side progressed well also.

It's way past lunch, let's start to clean up for the day. A few pieces that needed extra attention were cut offsite. We're good to go..

A special "thank you" to all from set-up to clean-up. Blessings to all. Until next time..hope to see ya Round da Church..... Rick Loncosky
