Building and Grounds Fund

You may have noticed a beeping noise for the past few Sundays. Our emergency alarm system was malfunctioning. It needed to be repaired and upgraded to meet code. This resulted in an unexpected cost of \$20,000

We recently also replaced several toilets to reduce water usage. These two expenses resulted in a negative balance in the Building and Grounds Fund. The fund will be replenished as a percentage of each month's rental income is deposited into this fund.

Mennonite Education Fund

For the past several years we have been providing a \$1,000 congregational scholarship for Ridgeview students attending Lancaster Mennonite School or Eastern Mennonite College. Currently there is \$1,285 in the fund with an additional \$1,715 needed by April 1 to provide our three students with \$1,000 scholarships.

Building Now Fully in Use and Alliance Network Move

We began renting to Branch in May of 2019 when they were a small prayer group. Since then Branch has grown and now is using a significant percentage of the building. Since then Alliance Network was formed off of Branch and is renting one room and during this school year Olive Grove Christian School began using most of the area under the Ridgeview Chapel.

As of now every room in the building is being used, which is an answer to persons who were praying for increased Kingdom use of the building. Alliance Network is planning to move in mid April. They purchased Harvest View as a new center for ministry. We appreciate our relationship for the past few years and wish them God's blessing as they move to a new facility to accommodate an expanded ministry.
