TUESDAY ALIVE

May 12 - Stories from Africa

A group of about 65 - 70 people gathered for coffee and fellowship.

Following a welcome to first-timers, acknowledgement of birthdays and opening prayer, John introduced the speakers, Bill and Joanne Zimmerman and Ron and Darlene Lapp.

Bill and Joanne served in Nairobi, Kenya with Hope Transforms Bible School.

Ron and Darlene went with their congregation, Petra. River Churches was also part of the team.

Both groups shared inspiring stories and slides. They expressed their experiences as life-changing.

Thelma Horst will tell her story of being adopted at a young age by a conservative Mennonite woman at our June 9 meeting.

Children's time....planting flowers....God's beautiful creation.
